

# USQ Surveying

## Academic Ask Me Anything!

If you've been working in Surveying for a while and have no formal qualifications, and are thinking about getting some or are looking to upgrade your existing qualifications (VET or University) then you need to come along to the USQ Surveying Academic Ask Me Anything (AMA) Session.

Whether it's questions about:

- credit for existing qualifications or skills
- how online courses work
- what pathways there are into uni
- what degrees you can do (spoiler: there's a few!)
- or something else entirely!

This session is there for you to ask all the questions you want or need to ask about going to uni from the people who will do it with you!

It's free to attend.
