Chiu-San	Chen	chen.93@hotmail.com	0402045180	EIGHT MILE PLAINS	University of Queensland	BA (Geography) BMath (Data Analytics and Operations Research)		Geospatial Analyst	Full-time	I am a student studying Data Analytics and Operations Research (BMath) and Geography (BA) at the University of Queensland. Equipped with the unique geography and mathematics background, I wish to disentangle complex data through the lens of geography to tackle the big issues in the 21st century.
